

As part of Team America World, you will receive an electronic race packet of information including training plans, fundraising tips, prizes, challenges and race day information.

To get started, pick the race (or two) you would like to participate in. Register online at the link provided making sure to choose "Team America World". Once your registration is processed, we will send you your race packet by email.

Each race has a team fundraising goal and a minimum fundraising commitment for each participant.

Perks for being a part of Team America World

Pure Charity Personal/Team Fundraising page - All team members will be provided instructions on how to set up your FREE Pure Charity personal fundraising page linked to the Team America World page.

Location-based, closed Facebook groups for runners to encourage community-building among participants

Team America World Water Bottle for those team members that raise \$100 or more

Team America World T-shirt/Singlet for those team members that raise \$250 or more

Team America World Drawstring Backpack for those team members that raise \$500 or more

Reimbursement for your race registration fee for those team members that raise \$750 or more.

Your race team captain will keep you motivated with additional **fundraising incentives** and **prizes** throughout the days and months prior to the race.

America World Adoption will have a presence at each race and we will organize a family style Team America World meal the day before the race.

We are excited to have **YOU** join Team America World and help us continue our work to place children in their forever families!
